Dr. Daniel & Dr. Melissa Lutat

Doctors Daniel and Melissa Lutat served on active duty in the United States Air Force for a combined total of 50 years and are now at Iowa Lakes Community College for a combined 22 years. They are career Airman, husband and wife, coworkers, and parents to eight independent community-minded children. They have served around the globe and have asked their children to sacrifice right along with them. Through those sacrifices, they have overcome difficult situations helping them become stronger partners, parents, and productive citizens making a difference in their selected career choices and pursuits. Along the way, they have learned that sacrifice and service are great innovative engines, building the kind of resilience that enables them Invest, Believe, and Achieve.
